## Wildlife Wednesday Reflection Questions

Facebook Live Event on Wednesday, April 29<sup>th</sup> at Noon (EST)

Some humans have difficulty seeing certain colors. Draw a picture with only red and orange OR only blue and black.

Practice making sounds with different pitches, or frequencies. Practice talking in very low, deep sounds and then in high pitch, squeaky sounds. What “voices” or impersonations would belong to each group? Make your own instrument with household objects at perform a concert!
