

Name _____

Date _____

MY PLANT DIARY

Draw a picture below in the boxes on day 1 and day 14 of what your plant looks like. Below in the prediction box write at least two sentences on what you think will happen over the next two weeks. In the observation box explain in 2-3 sentences the plant life cycle as you have observed over these next two weeks, (Include the words Sprout, Flower/Fruit, Seedling, Seed, Roots, Stem, and Leaves).

MATERIALS NEEDED: Seeds, Pot or Cup, Soil, Water, Pen/Pencil/Markers, Paint/Stickers (To Decorate Pot/Cup), Labels (For Student Name on Pot/Cup), Worksheet
