# SUMMER FUN AT OXBOW

## Program Descriptions:

### Oxbow Presents!

This presentation is held in the auditorium, perfect for large group.

### Fiz, Pop, Boom!

Have your mind blown with one of Oxbow's mad scientists learning about the amazing properties of science!

### Radical Reptiles

Meet the many reptiles and amphibians of Oxbow. You may even get to touch them!

### Wildlife Explorations

Discover the world around you through exploration, play, and fun! Each day will have a different theme. *Group size limited to 20.*

### Large Group Options:

Bringing a group for a summer field trip? We can custom design your group a program extension.

Please contact **Lauren Johnson:**  
[Johnson\\_lauren1@columbusstate.edu](mailto:Johnson_lauren1@columbusstate.edu)

### Reservation Information

If you are bringing a group of more than 10 people, pre-registration and a non-refundable deposit of \$30 is required. Please call 706-507-8554 today to sign up your group.

### Group Size

Some programs have a maximum participation amount, please contact Oxbow to see which program will work for your group.

Maximum group size for all Oxbow Presents is 100. For groups more than 100, please contact Oxbow Meadows.

### Group Age

Our programs are designed for children of all ages.

### Program Requirements

Parental/teacher supervision is required for all programs. Children must not be left unsupervised.
