Jr. Beekeeper Workshop

Join us for a day long workshop and learn what's the "buzz" about honeybees!

Contact Oxbow Meadows for registration at 706-507-8559
oxbow.columbusstate.edu

2020 Dates

April 11
May 9
July 18

10am-3pm
Open to ages 6-13

$35 per child
1 parent/guardian is free
Preregistration required. Payment duet at registrtion.

Must have a parent/guardian present during the workshop. Waivers are required for all participants to sign. Experienced CVBA beekeepers will teach and oversee the program. Children will watch a video, have opportunity to look at beekeeping equipment, participate in hands-on activity, participate in live beehive inspection, and help extract honey. Children must bring a lunch. All participants will be in the bee yard in contact with live honey bees, if you are allergic to bees, please take this into consideration before registering. For additional information or questions please contact Oxbow.
